**TO WHOM IT MAY CONCERN**

I have known of Roselyn Cloake for many years. Two or three years ago I first heard her sing at a charity event that my wife and I attended. We have heard her since on a number of occasions.

Two of our sons recently celebrated their 21<sup>st</sup> birthday. We employed Roselyn to entertain a function that we held to celebrate this event. We had a stunning night, greatly helped by the atmosphere that Roselyn created.

Roselyn has amazing ability she has a very relaxed approach and sings with an absolute passion, it all looks effortless to me, what a gift!

We would thoroughly recommend Roselyn as a professional entertainer; we would have no hesitation in employing her again and recommend her services.

I would be happy to be contacted, to discuss aspects of this reference, if required.

Yours faithfully,

**Lindsay Coulter.**
